On ice volunteer - A person who is on the ice during practice to help set up stations and aid in efficient delivery of practice. This person may help move coaching tools, pucks, or players, between stations and drills throughout the practice. On ice volunteers are permitted in the U7 and U9 divisions. In U11, U13, U15, and U18, on ice volunteers are only permitted if the team already has a Head Coach and two Assistant Coaches on their roster. On Ice volunteers are not permitted to be on the bench during games.

The volunteer must be no younger than 12 years before they can participate, must be listed as a volunteer on the roster, and must be approved by the MMHA Board as per the MMHA coaching roster approval process.

On ice helpers who are under 16 years old must be playing hockey at a minimum of one division higher than the team that they are participating on as an ice helper (i.e. an on ice helper playing in U15 can be an on ice helper for U13 and lower, but not U15 and higher).

The use of on ice helpers who are under 16 years old will be closely monitored to ensure that they are assisting the coaching staff on the ice. If the on-ice helper is not actively contributing to the practices that they are "helping" with, they will be removed from the roster and not able to participate as an on-ice helper.

4.2.22 All costs required to participate in and attend the required Coaching Clinics for all Coaching Staff, Managers, and Volunteers shall initially be covered by each team. Once each team's Roster is finalized, MMHA will reimburse the team for the approved costs of these clinics and only for those who are included on the final roster.

4.2.23 MMHA will cover the costs for Coaching Clinics required for Coaching Staff and Managers to be rostered to a team. Costs for additional clinics will be paid with the prior approval of the President of the association.

4.2.24 The deadline for all Coaching Staff, Managers, Bench Personnel, and Rostered Volunteers to have their required RCMP Vulnerable Sector Checks (VSCs) and required Hockey Canada Clinics updated and entered within the Hockey Canada Registry shall be December 1<sup>st</sup>. Those not in compliance by this date will no longer be eligible to participate on the ice or behind the bench.

### 4.3 SEASON ACTION PLAN

Once the team is selected and Team Manager is chosen, everyone is anxious to begin the season. The creation of the Season Plan might be beneficial to new teams and/or to first time coaches. This provides to you a resource in hopes that your year is successful and that it provides all parties concerned (coaches, parents and players) what is expected.

The team's coach has been planning for some time what his objectives and possible desires are for the season and no doubt made some preliminary tournament plans. The following is a suggested approach to creation of the plan:

- Following a practice, conduct a parent's meeting where all are present.
- Have a coach write his aspirations, goals, rules, apparel requirements, travel, tournament desires, etc for the team.
- Have the parents write their reaction to the coaches' desires as well as their own goals, wants, and desires.
- Have the players write their desires for the season. (The amount and detail of player input will vary with the age of the team).
- Integrate this information into a draft Season Plan to present at the next parents meeting.

### 4.4 COMMUNICATION

Given that meaningful input is fundamental to a successful season, feedback as to **“how well are we doing compared to the plan?”** and **“what is going on that affects us?”** is as fundamental.

It is proven that timely, complete and accurate feedback will significantly reduce the creation and spreading of rumors. There are several areas of feedback and information that stakeholders expect. They include such things as but are not limited to:

- Tracking the Season Plan
- Tracking the Budget
- Tournament dates and schedules
- Game schedules
- Practice schedules
- Association newsletters, policies, directives, etc.
- Fundraising plans

In addition to voice mails, telephone calls, etc. as required, there are two forms of formal communication recommended:

- A monthly newsletter via paper, email or any other suitable written form.
  - The newsletter is a summary of what has happened and what is coming up i.e. league activities, practice and tournament schedules, Season Plan status, and any other pertinent information.
- Team meetings held every two months (mid-December, early February and late March).
  - At the Team meetings, a year to date budget report shall be presented to indicate how team finances are being generated and spent.
  - The monthly communications can be discussed.
  - We can use a check point “how are things going? “, “what adjustments should we make? “, “are there any major issues or concerns we have been unable to address? “.

### **5.3 COMPLAINTS RE: REFEREES AND LINESMEN**

Any serious concerns by coaching staff, or others, should be reported, *IN WRITING*, to the MMHA Director of Referees, and a copy to the President of the MMHA.

**The MMHA Disciplinary Committee shall consist as outlined in the MMHA Constitution. All inquiries regarding discipline must be directed to the Vice President of your Division (Recreational or Competitive).**

## **6 MMHA CODE OF CONDUCT**

- 6.1 This MMHA code of conduct identifies the standard behavior that is expected of all MMHA member and participants, which for the purpose of this policy shall include all players, guardians, parents, coaches, officials, volunteers, directors, officers, committee members, team managers and trainers involved in MMHA activities and events.
- MMHA is committed to providing an environment in which all individuals are treated with respect.

- Members and participants of MMHA shall conduct themselves at all times in a manner consistent with the values of MMHA, which include fairness (see fair play), integrity and mutual respect.
- During the course of all MMHA activities and events, members shall avoid behavior, which brings MMHA or the sport of hockey into disrepute, including but not limited to abusive use of alcohol, use of non-medical use of drugs, and use of alcohol by minors.
- MMHA members and participants shall at all times adhere to MMHA's Operations, to rules and regulations governing MMHA events and activities and to rules and regulations governing any competitions in which the member participates on behalf of MMHA.
- Members and participants of MMHA shall not engage in any activity or behavior, which interferes with a competition or with any player or team's preparation for a competition or which endangers the safety of others.
- Members of MMHA shall refrain from comments or behaviors, which are disrespectful, offensive, abusive, racist or sexist. In particular, behavior that constitutes harassment or abuse will not be tolerated.
- Members must respect the MMHA Zero Tolerance Policy

"Zero Tolerance of alcohol or drugs." (HOCKEY CANADA, 1997) If a player is caught using alcohol or drugs during any Minor Hockey event, he/she will be suspended immediately. 1) If the parents are at the event, the player will be turned over to their care, or the player will be sent home (under escort), any additional expenses incurred will be the responsibility of the team. The suspended player will not be allowed to participate in any hockey until the suspension is dealt with.

"Any player, team official, executive member of a team, club or association having been party to or having had knowledge of any Hazing or Initiation Rite shall be automatically suspended for a period of not less than one year from playing or holding office with any team, club or association affiliated with the Canadian Hockey Association (Hockey Canada)."

- Members, Coaches and Parents will respect the Fair Play Policy of MMHA.

## 6.2 FAIR PLAY POLICY

- It is the philosophy of the MMHA that all participants receive equal ice time. This applies to all levels of play, recreational and competitive, with the exception of Development (U15 AAA, U18 AA, U18 AAA). We strictly adhere to the philosophy that all participants are important regardless of their skill level. We do not, and will not, support or tolerate any coach shortening their bench to win a hockey game, other than in the last two minutes of a game if he/she feels the outcome of the game can be changed. MMHA makes no distinction between the first game of the season, tournament games (home or away), Day of Champions or the Provincial Championship.
- The only time that ice time may be withheld will be for disciplinary reasons (IE: being disrespectful, etc.). A player may be suspended for up to and including one game by the coach.
- No win is more important than self-image and the feeling of being an important part, and contributing member of a team. No one player is bigger than, or more important than, the team and therefore not entitled to a disproportionate amount of ice time. It is not relevant to this Association that we have won or lost, but that our teams have represented MMHA and our City in a positive fashion.

### **YOU WIN AS A TEAM AND YOU LOSE AS A TEAM.**

We continue to struggle with this concept year after year. As coaches know, some parents are very concerned with winning and losing, sometimes more so than seeing a child sitting on the end of the bench for sometimes more than a period. It is our mandate to change this attitude and in order to accomplish this we need and expect your help.

We strongly encourage you to inform your players and parents of this rule and educate them of the fact this will be enforced. We will be monitoring and enforcing the Fair Play rule vigilantly. We expect you and your coaching staff to adhere to the **Fair Play Policy** at all times. Failure to do so will result in suspension and in some cases, dismissal.

### **WINNING AT ALL COST AND THE END JUSTIFIES THE MEANS, IS NOT WHAT WE ARE ABOUT.**

#### **6.3 CITY OF MONCTON CODE OF CONDUCT**

Members, Coaches and Parents will respect the City of Moncton Code of Conduct in a City Facility. Refer to Appendix 1- City of Moncton Code of Conduct

Failure to comply with this **Code of Conduct** may result in disciplinary action in accordance with the Code of Discipline of MMHA. Such action may result in member losing the privileges that come with the membership in MMHA, including the opportunity to participate in MMHA activities and events, both present and future.

### **11 MMHA FEMALE HOCKEY - Section Removed March 25, 2019 as per NOA Mar 19, 2019**

## **12 BUILDING RECREATIONAL TEAMS**

12.1 The MMHA pays considerable attention to providing equality among the Recreational Program teams. The goal is to have balanced teams throughout each Division, so the following procedures will be followed for our U9, U11, U13, U15, and U18 Divisions.

**Note:** For U9 Tiering, the player evaluations will be done by independent evaluators, similar to what is outlined in the competitive team evaluation process described in Section 13. A practice-based skills session, as well as a game skills session, will be provided. No tryout fee will be charged for the U9 Tiering evaluations.

### 12.2 PLAYER EVALUATIONS

12.2.1 At the beginning of the season the coordinator of each division will divide registered players into appropriately sized groups to allow for the formation of two separate teams per group.

12.2.2 Evaluation Coaches will be assigned for the evaluation process, with one Head Coach taking the lead role for each team.

12.2.3 Each group will be assigned two sets of “temporary” jerseys for the evaluation process with the Head Coach from each group assuming the responsibility for their distribution, collection and control.

12.2.4 Required ice time will be allocated for the evaluation process, which will consist of both skills and scrimmages.

12.2.5 During the evaluations each Head Coach is responsible for rating each player based on the criteria established by the MMHA divisional coordinator and the MMHA VP - Recreational. The ratings shall be recorded and provided to the Divisional Coordinator immediately upon completion of the process.

*At the conclusion of the evaluation period, the Division Coordinators and the V.P. of Recreational Hockey will oversee the team selections using the MMHA Recreational Draft Process.*

### 12.3 MMHA RECREATIONAL DRAFT PROCESS

12.3.1 The Draft process is key to ensuring a Recreational Division that is fun and rewarding for all the players and coaches involved.

- 12.3.2 The Divisional Coordinator will determine the best number of recreational teams in a division based on registration numbers and coach availability. The Divisional Coordinator will solicit / select Head Coaches from available volunteers.
- 12.3.3 The Divisional Coordinator will compile the evaluation results and will prepare a "Draft List" with the ranking of the player's based on their averaged rating.
- 12.3.4 The Divisional Coordinator will schedule the draft process meeting as soon as possible after completion of the evaluation process, and will require attendance by each Head Coach, or a selected representative (maximum two in attendance for each team).
- 12.3.5 Each Head Coach is allowed to protect their own child(ren)( player or goaltender)and the child of either an assistant coach or a manager. The Head Coach will provide the coordinator with a written letter or email from that assistant coach/manager stating their agreement to act in this capacity for the upcoming hockey season. There will be no substitutions of protected players if the coaches or manager do not have a son/daughter on the team.
- 12.3.6 The "Draft List" will be provided to each Coach in attendance at the draft, and is to be returned at the conclusion of the draft process meeting.
- 12.3.7 When female players are included in the draft, efforts will be made to pair them together on teams (minimum two per team).
- 12.3.8 At the commencement of the draft, a draw will be held to determine the order of selection for the player draft. When selecting, the order will be followed to the last coach, then reversed until back to the first coach.
- 12.3.9 The reverse order will be used for the goalie draft (1<sup>st</sup> pick of skaters, gets last pick of goalies).
- 12.3.10 At the commencement of each draft round, the number of players displayed for draft will be double the number of teams being built (if building 5 teams, the top 10 players will be displayed).
- 12.3.11 Protected players will be that team's choice as they appear on the top half of the draft list (if a protected player is rated the 3<sup>rd</sup> best player, he/she will be that team's first pick, but, if he/she is 9<sup>th</sup>, the coach may select a player from the top half of the list).
- 12.3.12 Conflicts will be resolved by Divisional coordinators in consultation with the MMHA VP-Recreational.
- 12.3.13 Once the draft is complete, there will be **NO TRADES**.
- 12.3.14 A Jersey draw (from a hat), will occur at the completion of the draft.

### 12.3.15 Player Placement Requests (Player Accommodations)

MMHA goes at great lengths to balance our recreational teams through player evaluations and drafts in all divisions (U9 to U18) with the exception of U7. At drafts, coaches will be made aware of any requests however there shall be no expectation that specific players will be grouped together on any recreational team within a division.

MMHA will accept placement requests only in the following situations:

- Players in the U7 division
- Siblings playing within the same division
- Players obtaining funding from programs such as Jump Start, etc.
- Players with parents who have disabilities that will cause a transportation hardship

Any accommodation request must:

- Be made yearly prior to the recreational draft, in writing, to the Division Coordinator, the Vice President of Recreational hockey, and the MMHA Executive Director
- Be provided in writing, from all affected parties, including, but not limited to, split families.

### 12.3.16 Players Who Register After The Draft

- a) The Player Accommodations noted in Section 12.3.15.

All Player Accommodations must be approved by the Division Coordinator and by the Vice President of Recreational Hockey.

## **13 COMPETITIVE TRYOUTS**

### **13.1 General**

- MMHA endeavors to provide a fun and rewarding hockey experience for all players registered in the association. We also understand that tryouts can be stressful for both players and their families and with this in mind have attempted to take the appropriate measures to make our tryouts as enjoyable as possible, yet professional and impartial.

#### **Expectations of Competitive Hockey**

- It is important that all players and their families realize what is expected of them if they are successful in making a competitive team. The commitment is a minimum of 3-4 ice hours per week on average and the team budget can be more than \$20,000 (\$1,175 per player based on 17 players per team). This is over and above the MMHA Registration and does not include the costs associated with going to Tournaments such as gas, meals, hotels.

#### **Communication**

- The MMHA website is the **primary** means of communication during tryouts. Groupings for each session, schedules, participants for the Red & White Games, final Team Rosters will be posted on the MMHA website. Updates will be posted to social media using Facebook as well, however in the case of any discrepancies, reference the MMHA website as the most up-to-date source of information.

#### **Tryout Committee**

- The Competitive Coach Selection Committee shall be struck after the AGM and be made up of the VP of Competitive Hockey and a minimum of two (2) other people, preferably without kids in the system.
- In the interest of transparency and fairness to each participant, the Competitive Coach Selection Committee shall appoint Independent Evaluators. By August 1st, the Competitive Coach Selection Committee shall:
  - Create a budget for the upcoming tryout season.
  - Recruit and appoint paid Independent Evaluators
  - Appoint a Chairperson of the Independent Evaluators
  - Confirm the tryout process criteria with the Evaluation Chair
  - Turn the tryout process over to the Evaluation Chair

### **13.2 Registration and Tryout Fees**

a) Tryout fees will be collected at Registration by MMHA. The fee will be reviewed by the MMHA Board of Directors every year and it shall cover all expenditures as identified in the tryout budget (ice, officials, evaluators, etc.). The Tryout Fee guarantees three (3) ice hours per player. Only players who have paid the Tryout Fees will be considered for any MMHA Competitive Teams.

b) In the U15 and U18 categories, all players who have not played at a contact hockey level (spring and summer private leagues will be considered on a case-by-case basis), must attend a preseason checking clinic. Checking clinics from other HNB associations or private hockey groups may be accepted upon sufficient proof of attendance. Those who were unsuccessful in their high school team tryout or EDZA U15 or U18 team tryout must also attend this preseason checking clinic. Players who have not met this criterion will not be registered for MMHA's competitive tryout process, and therefore are ineligible to be selected to a U15 or U18 competitive team. Accordingly, these players will not be permitted to be added to a competitive roster as an affiliate player.

### **13.3 Number of MMHA Competitive Teams**

MMHA will make every effort to have at least two (2) competitive teams at each level, when possible (U11, U13, U15, U18), depending on the structure of the AAA program at the various levels. Extra teams could be added depending on the player registration numbers as per HNB Guidelines and must be agreed on by the MMHA Executive.

### **13.4 Team Rosters**

Each MMHA Competitive Team must roster a minimum of fifteen (15) skaters and two (2) goaltenders, to a maximum of nineteen (19) players (higher if allowed under Hockey Canada/HNB regulations and approved the MMHA executive).

### **13.5 Selection of Competitive Coaches**

- Coaching level attained through formal clinics.
- Background and Coaching Experience
- Feedback from previous year(s) coaching
- References
- Known or referenced reliability and integrity.
- Compatibility with MMHA philosophies and policies

The Competitive Coaches Selection Committee shall approve two (2) coaches per U11, U13, U15, and one (1) for U18 during the tryout process. Additional coaches may be appointed depending on the player registration numbers as per HNB Guidelines and agreed on by the MMHA Executive. The names of these approved coaches shall be turned over to the Evaluation Chair for the selection process. These coaches will fall under the direction of the Evaluation Chair and shall be assigned support roles in the evaluation process, they will not have any direct input in the evaluations.

### **13.6 Tryout Process – AA Teams**

The AA Team Tryouts (U11, U13) will be completed prior to the beginning of the regular MMHA hockey season. The only exception will be if the AAA programs have not completed their team selections. The AA Team Tryouts (U15, U18) will begin later to accommodate High School Team Tryouts.

#### **The AA tryout process will unfold as follows:**

- The MMHA Executive Director shall provide a schedule of ice time allotments to the Evaluation Chair.
- Contact phone numbers and email for all players attending will be gathered via their registration for the upcoming hockey season.
- Each attending player will be assigned a tryout jersey. They will keep the jersey until after their third evaluation ice time.
- Independent Evaluators shall be present during the tryouts to provide input. All Independent Evaluators will be seated separately (when possible) during the on-ice tryouts, coming together at the end of each session with the VP Competitive, to discuss and provide feedback.
- The players will be identified by jersey number and color only for the Independent Evaluators during the tryout process. No names will appear in the Evaluators' lists. Notifications of participation to the final Scrimmage Game and the Red & White Games shall appear on the MMHA website by name. Notification of players assigned to a final roster shall be identified on the MMHA website by name.

- If any player becomes sick or injured during the Evaluation Process, their score will be pro-rated for the sessions they are unable to attend.

The Tryout Committee may also use the following to determine a player's ranking for an absent/injured player or any other player whose ranking appears inaccurate:

2. How did they develop through that year?
3. How strong was that player at the end of that year relative to others?
4. A discussion with previous coaches regarding other qualitative factors?

#### **14 PLAYER MOVEMENT**

All player movement (temporary or permanent) during the season must be in accordance with HNB and the MMHA guidelines.

##### **A. AFFILIATION (temporary) GUIDELINES:**

Affiliation is a process which permits a player to play in a higher category (B, A, AA, AAA), or higher division (U11 to U13 etc.), as a temporary replacement for a rostered player of a team, provided the following guidelines are followed.

- All competitive teams wishing to roster affiliates must submit a list of potential affiliates to the Vice President of Competitive Hockey for MMHA prior to December 15.
- The VP of Competitive Hockey will make the final decision on affiliates available to each of the MMHA competitive teams.
- There shall be no contact by coaches/managers with potential affiliate players prior to receiving notification of approval from the VP of Competitive Hockey.
- All affiliate players must be rostered in the HCR with the higher category/division team prior to being used for team practices and games.
- Affiliation privileges shall be applicable for all divisions of U11 and above.
- Players shall be permitted to affiliate with only one (1) team.
- First year players in a division may affiliate to a higher category within their division. Second year players in a division may affiliate to a higher category within their division or to the next division.

- In the U15 and U18 divisions, players may affiliate to a higher category within their division, or a higher division.
- Female association first year or second year players in a division may affiliate to a higher female category within their division or to the next female division.
- MMHA shall not allow rostered development players (AAA etc.) to play as affiliate players for MMHA competitive level teams (AA, A, B). Rostered competitive AA, A, B level players may not play as affiliates for Competitive C level teams.
- All affiliate players must be active players for the team on which they are rostered. Active is defined as participation in one league game, with the team on which the player is rostered.
- Coaches requesting an affiliate player must have the approval of the player as well as the parents of players under the age of majority (19 in New Brunswick).
- Players affiliating to a higher division or category team must have the approval of the president or his/her designate. If an affiliate player is needed, consent must be given before the player is asked to participate in a game or practice. Affiliate use must in no way interfere with on or off ice activities of the team on which the player is rostered.
- Affiliated players can only play a maximum of ten (10) scheduled games with the affiliated team. However, if the player's registered team completes its regular season and playoffs before the player's affiliated team, the player may thereafter affiliate an unlimited number of games. Exhibition and/or tournament games which are not part of regular league games or playoff games are not counted in the number of games in which an affiliate player participates.
- Affiliate players shall not be allowed to play in tournament games with the affiliate team if the team on which the player is rostered is also registered in said tournament. If the team on which the player is rostered is eliminated from further play in the tournament, the player will then be permitted to play for the affiliate team for the remainder of the tournament.
- Lower division coaches should encourage affiliation and view it as an opportunity for player development.
- Higher division coaches will offer the affiliate opportunity to as many different players as possible keeping in mind that winning games is not the primary objective, but player development is.

- Any team/coach in violation of the above guidelines will be subject to immediate suspension from MMHA.
- Teams playing at the U11 C level are not allowed to affiliate players at the U9 2 level. In the case of goaltenders, they may borrow a goalie (if their regular goalie is unable to play) from another MMHA U11 C team, as long as the team of the borrowed goalie is not playing. If borrowing a goalie for a play-off game, choice of goalie will be made by a random draw.

**B. MOVEMENT (permanent) GUIDELINES:**

- Will only be considered if a developmental or competitive team roster falls below the minimum no of players requirement as per the Hockey Canada guidelines which currently states: “15 players, 1 of whom must be a goaltender”.
- Must have the approval of the V.P. of Competitive Hockey as well as the V.P. of Recreational Hockey (only if the player involved is from the recreational program) prior to advising the player in question.

**15 EQUIPMENT**

**A. GOALTENDING GEAR**

- MMHA provides goaltending gear for U9, U11 (recreational) and U13 (recreational) players only. The Equipment Manager will allow equipment to be signed out to the Coach and/or Team Manager of a goaltender.
- **No goaltending gear will be provided for U15 teams unless a surplus exists.**
- *For summer usage, a deposit cheque in the amount of \$100 will be required. The deposit amount will be returned upon receipt of equipment in good condition.*

**B. SWEATERS**

Each year MMHA writes off several hundred dollars’ worth of sweaters. To address this issue the Board of Directors has approved a policy that sweaters not returned before registration the following year will result in the player being assessed a further **\$50** on his/her registration fee. This policy also takes into consideration sweaters that are damaged. (**NOTE:** The \$50 charge will also apply to the competitive division, per jersey. For example, if both home and away jersey are either damaged, or not returned, a \$50 per jersey fee will be charged.)

To administer this policy effectively:

- The Director of Equipment will provide each team with the necessary form to have each sweater signed for by the Team Manager.

- The team manager must ensure that the sweaters are returned at the conclusion of the Minor Hockey season in clean condition and on hangers.
- For all Teams a Sweater Fund charge will be billed to each team for each player.

The MMHA provides Recreational Teams from U11 to U18 and all Competitive teams with two sets of sweaters. (Home Red and Away White) The MMHA provides U7 and U9 teams one set of sweaters. As sweaters are replaced accordingly for the competitive level teams, there will be a nominal fee charged per player that goes towards the Sweater Fund.

All MMHA competitive teams and Recreational teams U11 and up, may purchase MMHA color hockey socks if desired.

Sponsor Name Bars and Player Name Bars will be sewn, on the back of team sweaters in a strictly consistent manner. Sewing where necessary, must be done with care. A long stitch should be used to prevent damage to the sweater when the name bar is removed.

Players and parents are responsible for the care and condition of their jerseys. Use caution when drying.

When sweaters are issued, they are cleaned and ready for use. When returning sweaters at the end of the season, team management is responsible to see that player name bars have been carefully removed, and that all sweater sets are complete and on hangers (NONE missing) and that they have been carefully washed and are ready for storing. When not in use, sweaters should be stored in a warm dry place.

#### C. PUCKS AND PYLONS

- All teams will be responsible for purchasing their team pucks. The MMHA will provide pylons for team use. These pylons will be located at the Moncton 4 Ice Centre.

### **16 ICE ALLOCATION**

#### A. RESPONSIBILITIES AND PAYMENT

Prime time ice availability is the greatest asset of the MMHA. Its rental is the greatest single expense of our Association. Its well-managed usage is a high priority and responsibility for coaches and managers. The following guidelines are approved:

1. The MMHA Executive Director is the only person who can book ice for the MMHA and must account for all hours of ice booked by the MMHA
2. **All tournaments will be posted. Not all cancelled ice will be replaced.**

3. All teams may purchase additional ice at a billable rate to be determined prior to the season. All ice bills must be paid promptly to the MMHA Treasurer.
4. **The usage of this ice is the full responsibility of the team in whose name the Executive Director books it. If the team cannot use the hour from time to time, it is the team's responsibility to find an alternate user (trade) and to make any necessary trade or payment arrangements. Teams will be billed for all allotted hours, regardless of actual usage.**

**5. ALLOTTED ICE TIME CANNOT BE TRANSFERRED, OR OTHERWISE USED BY ANY INDIVIDUALS OR ORGANIZATIONS OUTSIDE MMHA WITHOUT THE EXPRESS CONSENT OF THE EXECUTIVE DIRECTOR.**

6. If two teams, regardless of fault, arrive for the same hour of practice, this procedure should be adhered to:
7. Each team will use half of the ice
8. Coaching staff must ensure the safety for all players
9. If any costs are required for that ice hour, both teams will share costs equally.
10. The Divisional Coordinator should be informed of the shared ice as soon as possible.

## **17 GAME CANCELLATION**

Bad Weather or Mechanical Failure - In the event that bad weather or mechanical failure forces an unplanned closure of the **Moncton 4** Ice Centre used by the MMHA, the City of Moncton has been instructed to contact the MMHA Ice Coordinator or the President. The President or Association Vice-President(s) will in turn relay the message to the Division Coordinators and/or Coaches of the affected teams, the Referee-in-Chief and the Coach of the visiting team. Announcements will be made on the local radio stations.

### **MMHA STORM POLICY**

At the discretion of the Board of Directors, if weather does not permit Minor Hockey Operations to continue, in the event the **Moncton 4** Ice Centre remains open, MMHA will be responsible to:

- (a) Contact Local Radio Stations
- (b) Update our Phone Message Managers (**382-6642**) with an appropriate closure message.
- (c) Contact the affected coaches as quickly as possible.
- (d) Update [www.monctonminorhockey.ca](http://www.monctonminorhockey.ca) – when possible.

MMHA teams are not permitted on the ice if the Association has canceled the Ice, even if the facility remains open. School Exams or Travel, Etc. - As a general principle, team management must meet scheduled game obligations at home or abroad before committing to other interests. Players must

advise coaches of exam/game schedule conflicts early enough to allow the coach to arrange for players from the affiliated team to fill in for missing players or to reschedule games. Coaches should make every possible effort to meet game commitments. Failure to do so unexpectedly when scheduled to visit other associations is likely to result in the other association billing the team through the MMHA for the Association's costs. It will be the team's responsibility to reschedule ice with another team in their division, when they are unable to secure their scheduled ice times. If all attempts to trade ice within your own division fail, please contact your Division Coordinator (however if the ice is unused Payment for the time will still be required).

## **18 MEETING ROOMS**

Teams wishing to use the meeting rooms at the Moncton 4 Ice Centre, for hockey related meetings, must contact the MMHA Executive Director at 506-382-6642 or by email at: [executivedirector@monctonminorhockey.ca](mailto:executivedirector@monctonminorhockey.ca) Team management is to ensure that the rooms are left in a tidy condition.

## **20 CONTROL OF CASH REVENUES**

Volunteers staff the MMHA, a non-profit organization under the New Brunswick law. No member or participant may receive a personal use benefit, cash or otherwise, without the written consent of the MMHA Executive.

*THE BEST WAY TO PROTECT PERSONAL INTEGRITY IS TO ALWAYS OPERATE IN AN OPEN AND WELL-DOCUMENTED MANNER.*

Uniform procedures for all organizers should follow the control of all cash revenues and collections associated in any way with minor hockey activities. It is therefore appropriate and necessary to expect the following:

1. Bank accounts MUST be used for team, committee and other association funds and these accounts should have monthly statements provided, with cheques returned. All funds, statements and canceled cheques as well as receipts, invoices and other financial records are to be held in Trust for the MMHA Executive by a team, committee, or event Treasurer. 3. Committee/event Treasurer and another parent (not same household) as the other signing authority.
4. All teams must provide proof of a current active bank account for each team to their respective Vice President. This information must indicate the two signing authorities and must be provided by November 1st of the current hockey season. Failure to do so will result in loss of ice allocation.

## **22 SPONSORSHIP POLICIES**

Many corporations make substantial contributions to our Association through sponsorship of teams, tournaments, and other Association programs. The Director of Sponsorships will provide a list of these corporate sponsors. Teams may not approach these corporations as sponsors or for additional funding.

The managers have the following duties regarding Sponsors:

- Arrange to deliver the game passes to your sponsor and explain to them what your team is, when they play and practice and welcome the sponsor to visit any time. It is important that the team Manager maintain regular verbal and/or written contact with the sponsor(s).

### **24 TOURNAMENTS**

Minor hockey tournaments offer an enjoyable opportunity for players at all levels to demonstrate their hockey skills competitively in an environment that encourages fair play, and above all, fun. Your Executive encourages all teams to participate in and support tournaments at home, in the metro area, and to other areas of the province and the Maritimes. (Note: U7 and U9 levels cannot leave the province for exhibition or tournaments).

MMHA conducts several tournaments each year. We try our utmost to ensure all teams within our association participate in a home tournament. Tournaments are a major source of revenue for the Association, and we strive to maximize revenue and provide good value to the participants. We also recognize the contribution of our host teams and want to ensure all teams share in the responsibility of hosting our tournaments.

Your team will be contacted by the Division Director and asked to participate in the tournament and your team's full cooperation is required.

Guidelines are as follows and should be strictly adhered to, with any exceptions referred to your Executive Director.

- As long as the league commitments are met, teams in U11 and above must obtain permission from their District Director to participate in more than five (5) tournaments, including MMHA home tournament. Not including League, Zone, or Provincial Tournaments.
- A recreational team may participate in up to two (2) away tournaments requiring an out-of-town hotel stay.
- U7 and U9 may enter 4 outside Jamborees each year, plus 1 MMHA Jamboree. U7 teams are only able to attend Jamborees within the District and cannot be in a location where a hotel stay would be required.

- All tournament arrangements must be in accordance with all HOCKEY CANADA, Hockey New Brunswick and the MMHA rules and regulations.
- Tournament entry fees are paid through team budgeting and funding.
- Teams should enter only officially sanctioned tournaments.
- At all times, without exception, good manners and sportsmanship are to be displayed by players, coaching staff, and visiting parents, on the ice, in the rinks and elsewhere.
- Well in advance of departure, the following must be arranged:
  - Through the Divisional Coordinator, rescheduling of any games or cancellation of ice time during the away period.
- A Hockey New Brunswick travel permit must be obtained by accessing the Hockey New Brunswick website in advance of all tournament games.
- If necessary, travel insurance and extended medical coverage to suit the situation should be obtained.

## **25 HOSTING PROVINCIAL CHAMPIONSHIPS**

Each year, Hockey New Brunswick asks Associations to host a particular level Provincial Championship Tournament, U11 to U18 (Competitive and Recreational). The host team is automatically a competitor in the Tournament. Procedures and Regulations for the Tournament are well outlined in the Hockey New Brunswick "Constitution, Bylaws, Regulations" Handbook, a copy of which is made available to all teams at the beginning of the season.

The hosting of a particular level Provincial Championship Tournament is very much a Team organized effort, with the backing of the Association. Teams may apply to host a Provincial Tournament by obtaining an Application from the Hockey New Brunswick website.

The team must first establish an experienced, strong and determined committee headed by an energetic Chairperson. Specifics of Rinks to be used and times booked must be provided in an initial 'Report and Request' to the Association Executive. This submission must include a reasonable budget and source of financing for all costs.

If your team is interested, please do not hesitate to discuss this with the Vice President of Competitive or Vice President of Recreational Hockey, or any member of the MMHA Executive. Hosting a Provincial Tournament is a very challenging and worthwhile undertaking. The MMHA is proud to have had our share of teams undertake this with very satisfactory and commendable results in the past. We invite you to share the challenge.

### **MMHA Financial Support**

Upon request, the MMHA Board may consider providing financial support to the team planning to submit a bid to host a Provincial Tournament. This shall be determined on a case-by-case basis, through a motion presented by a current Board or Executive Member, and must be voted on and passed by the Board of Directors and/or the Executive Members. The following requirements must be met:

- The tournament must be held at a Moncton owned facility located within the MMHA Boundaries (Superior Propane Centre; Moncton Coliseum; or the Avenir Centre).
- A tournament budget must be presented with the motion.
- The amount requested must not exceed \$1,500.
- Parental contributions must match or exceed the MMHA financial support amount.
- Any surplus or profit realized by this event must be paid to MMHA to cover the financial support provided.

## **26 TRAVEL PERMITS**

Hockey New Brunswick must sanction all games (and special events) for insurance purposes.

- Travel Permits must be obtained to ensure insurance coverage for either a game or special event.
- The hosting Tournament Association may disqualify teams traveling without a permit from tournament play. Therefore, the permit must be available at all tournaments.
- Team officials are subject to disciplinary action for non-compliance with travel regulations.
- The first offense of a team traveling without an appropriate travel permit will result in a suspension to the responsible team officials. Second offense will result in an indefinite suspension. Coaches can also be held liable for injuries if appropriate permits have not been obtained.
- Travel Permits are required for all exhibition games and tournaments. Travel permits are not required for schedule league games.

Requests for Travel Permits must be made at least **(7)** days prior to game(s). Travel Permits **MUST** accompany a team to their game(s). Permits are to be obtained from the eHockey system.

Upon completion of Exhibition game(s) or Tournaments, a copy of the game sheet(s) must be saved and made available to Executive Director.

**NOTE:** The U9 and U7 Divisions can only travel within NB and must obtain a travel permit. A number of game limits exist for the U9 and U7 Division. Thus, it is imperative a travel permit is issued for each scheduled game.

## **27 MEDICAL AND FIRST AID POLICIES**

## **29 CO-ED DRESSING ROOM POLICY**

At Hockey New Brunswick's 2003 Annual General Meeting, a notice of motion was accepted by its membership to adopt and enforce the Hockey Canada Co-Ed Dressing room policy. This policy as it exists in the Hockey Canada Bulletin 01/28 was approved by the Hockey Canada Board of Directors.
